ARTIFICIAL TURF indoor arena at Bulla

In order to prevent damage to the surface members are asked to follow some simple rules.

The new arena is for exhibition purposes only or for judges training nights. Practising or exercising your dog on the grassed arena is not permitted. You must exercise your dog outside before entering the indoor exhibition hall, and again before you exhibit your dog. Once your dog is no longer required for exhibition/training it must be removed from the arena.

On days when setting up is permitted on sections of the grassed arena, a suitable mat or tarp MUST be placed under all crates, trolleys and chairs.

In the event that your dog empties themselves on the arena, you need to follow these simple steps

Remove droppings with poopa scoop

Flush spot with water from watering can

Spray with disinfectant

If you dog urinates

Flush spot with water from watering can

Spray with disinfectant

If everyone follows these simple rules the longevity of the arena will be preserved for years to come.

Remember

- **Exercise your dog outside**
- **Provide suitable matting if setting up on grassed arena.**
- **Remove your dog from grassed area once you have exhibited**
- **Clean up in the event of an accident**

Thank you for following these simple rules.

WAYNE FLEMING

Chairperson

Bulla Facilities Committee

July 2009

Please adhere to these rules in March while attending our Champ show. Remember the mat or tarp and we can all have a great day.
